WHEREAS, the Town Board has considered the comments of all persons regarding this Local Law, both as submitted in writing and as presented orally at the public hearing; and

LOCAL LAW NO. 14 OF **2015**
INTRODUCTORY NO.15 OF **2015**

A Local Law providing for the adoption of a revised "Community Preservation Project Plan," pursuant to Section § 64-e of the New York Town Law, which provides for the preservation of open space, historic places, and recreational areas within the Town of East Hampton, including the incorporated villages therein, to include lands reputedly owned by **Hugh and Theresa Quigley**, and identified on the Suffolk County Tax Map as **300-133-2-8.2 & 30**, all as more fully set forth in the text of the Local Law, said Local Law to read as follows:

BE IT ENACTED by the Town Board of the Town of East Hampton as follows:

SECTION I. - FINDINGS AND OBJECTIVES:

This local law adopts a revised "Community Preservation Project Plan" pursuant to Section § 64-e of the New York Town Law. The revised plan supplants the Community Preservation Project Plan which was first adopted by the Town Board on August 4, 1998 and adopted as revised on July 7, 2011 and which continues to list all properties whose preservation is necessary to the preservation of the community character of the Town of East Hampton.

The Town Board would like to amend the plan as most recently adopted on July 7, 2011 to add two parcels consisting of approximately .75 acres of land reputedly owned by Hugh and Theresa Quigley located on 78 Swamp Rd., East Hampton and identified on the Suffolk County Tax Map as 300-133-2-8.2 & 30 for the following reasons: These two parcels are contiguous to 100 acres of Open Space, as well as another parcel under review by the Town Board that is currently on the CPF Project Plan, lot 8.4. The properties are in the Harbor Protection Overlay District, the Scenic Areas of Statewide Significance, the Special Groundwater Protection Area, and they lie within the Peconic Estuary Program's Northwest Creek Critical Natural Resource Area. The parcels are in the Pine Barrens and contain significant wetlands. The property provides a buffer to a vital trail connection between Barcelona and the newly acquired Curtis property. For these reasons, these parcels meet the criteria set forth in Town Law 64-e (4) that establishes and helps define what the preservation of community character involves.

SECTION II. - COMMUNITY PRESERVATION PROJECT PLAN ADOPTED:

For the reasons set forth in Section I hereof, the Town Board hereby approves and adopts the addition of **approximately .75 acres of land reputedly owned by Hugh and Theresa Quigley located on 78 Swamp Rd., East Hampton and identified on the Suffolk County Tax Map as 300-133-2-8.2 & 30** to the list of Open Space Recommendations in the "Community Preservation Project Plan" prepared by the Town Planning Department and dated July 7, 2011, said plan being intended to constitute, in its revised form, the community preservation project plan which is required by Section § 64-e of the New York Town Law and Article I ("Community Preservation Fund") of the East Hampton Town Code.

SECTION III. - SEVERABILITY:

Should any part or provision of this Local Law be decided by the courts to be unconstitutional or invalid, such decision shall not affect the validity of this Local Law as a whole nor any part thereof other than the part so decided to be unconstitutional or invalid.

SECTION IV. - EFFECTIVE DATE:

This Local Law shall take effect immediately upon filing with the Secretary of State as provided by law.

AND BE IT FURTHER RESOLVED, that, as required by Town Law Section § 64-e (6), the Town Clerk is directed to forward copies of this resolution together with copies of the revised Community Preservation Project Plan dated **May 21, 2015** to the following State agencies:
