Where: Montauk Playhouse Community Center Gymnasium.

See an overview of planning and design ideas from the previous three days' workshops, and tell us what you think is the best approach for Montauk's future.

All workshops will be held at the Gymnasium of the Montauk Playhouse Community Center, 240 Edgemere St.

Please RSVP: EHHamletStudy@gmail.com

All are welcome at any of the meetings

The charrette will be an intensive multi-day planning and design exercise leading to a vision for the future of Montauk. It's part of a larger town-wide study focused on the commercial areas within each of the town's six hamlets. We need your input to better understand how homes, businesses, recreation, and community work today, and how they can function better in the future. You are welcome to attend all or any of the events listed above.
