These lands are chosen for preservation based on the unique and valuable ecological assets situated within their boundaries. They are protected not only as a means to preserve the land in its natural state, but to create a multi-use recreational resource to be enjoyed by all.

At this time Councilwoman Fallon read a two and a half page Memo concerning the Comprehensive Plan and the Supervisor's letter of March 18th, 1974. In this memo she quoted the Supervisor's letter, gave specific dates, named those to whom the letter was sent, spoke of the Town Planner's disagreement with the Supervisor's conclusion, and read letter of the Town Planner to the Supervisor regarding same.

Councilwoman Fallon said that it was an unfortunate use of words. Supervisor Hope stated that her letter to the Offices of Planning Services was a simple request for funds and she then read the response she received.

Councilman White spoke about all the recent upzonings having been based on the Comprehensive Plan - and this resolution was necessary in order that we defend what we feel to be the upcoming lawsuits.

The following roll call vote was taken:

- Councilwoman Fallon.....Aye
- Councilman White.....Aye
- Councilman Herrlin.....Aye
- Councilman McDonough.....Nay
- Supervisor Hope.....Abstain

The following resolution was offered by Councilwoman Fallon, seconded by Councilmwn White - no discussion - no opposition - motion carried as follows:

RESOLVED, that pursuant to Planning Board resolution adopted September 13th, 1972, deed of dedication to the Town of East Hampton of one parcel of greenbelt along Two Holes of Water Road from George-Anne Roberts is hereby approved.

The following resolution was offered by Councilwoman Fallon, seconded by Councilman White - no discussion - no voiced opposition - motion carried as follows:

WHEREAS, a public hearing was held by the Town Board of the Town of East Hampton on January 25, 1974 at 10:00 A.M. to consider an amendment to the Zoning Ordinance of the Town of East Hampton to change from Residence District "A" to Residence District "AA" certain property in East Hampton, and

WHEREAS, this Board finds:

1. This amendment is called for in the Town's Comprehensive Plan.
2. The Town's Comprehensive Plan still prevails as the Town's guide towards orderly, well-planned growth.
3. These properties consist mostly of moraine soils which have a coarse texture, a rapidly permeable profile and slope range extending from eight(8) to 35 percent, thereby making these properties difficult to stabilize in erosion control and yielding them too droughty for low cost maintenance
