Notes:

- The TOEH is not able to pay engineers or architects directly, this cost is to be undertaken by the property owner
- Engineering/design costs are an allowable expense that may be submitted for reimbursement through the Septic Incentive Program following the completion of system install
- Homeowners are not limited to hiring the listed designers; this list is intended as contact information only and is in no particular order
- The Town of East Hampton cannot provide payment for sales tax. It is the responsibility of the homeowner to provide the appropriate tax exemption forms or payments for sales tax.
- Septic incentive proceeds may be taxable. Please consult a qualified tax professional to discuss implications.
