CAC Minutes

In attendance: Katy Casey, J.B. dos Santos, Brian Carabine, Raul Guazhambo, Mary Ella Moeller, Jola Marcario, Jerry Butler, Carla Ash, Jerry Mulligan, John Whelan, Kathee Burke Gonzalez.

A motion was made to accept minutes. The minutes were accepted.

The traffic pattern on Old Northwest, Cedar Street and Stephen Hands Path. Detour signs will not be installed per chief Sarlo.

Jerry stated that the greatest danger is at Cedar Street and Old Northwest. People at the stop sign can't see down the Cedar Street traffic coming east. There is no stop sign/guidance. He suggested that traffic be closed on Stephen Hands Path going west between Cedar and Old Northwest. Use the cut off at Stephen Hands Path to Old Northwest. He also stated that the problem could be helped if there was a change in the traffic light pattern on 114 and Stephen Hands Path.

John asked Kathee about the procedure at Town meetings regarding traffic patterns.

Kathee stated that the engineering report was approved for the Long Lane, Stephen Hands Path, Two Holes of Water rotary. She further stated that Fred Thiele has said that 114 will be paved this spring.

Kathee will ask chief Sarlo for accident data for Stephen Hands Path, Cedar and Old Northwest.

J.B. suggested dry wells be put in with the rotary to help with flooding. Kathee stated this is part of the proposal. She also stated there will be room for bicycles and a bigger turning lane at Stephen Hands Path and 114. The Jezebel & Lilac parcel is in contract for the town to buy. The house will be used as a farmer's house, a farmed lot, and outer buildings will be in use for the farmer. Probably closing end of April.

The 500 ft. smoking ban from the lifeguard stand must also be approved by Trustees and they are being notified.

Kathee stated that Kevin Cooper, the new Director of Code Enforcement, has presented to Town Board re uplighting.

J.B. stated that many short term rental registrations have expired. Kathee will look into this.

Carla asked about the Bistran heliport. Per town code, a heliport cannot be put in a back yard. Private airports do not have to share the number of operations.

Jola stated that in Northwest there are no signs for "no litter", and many are dumping their litter there. Also there are no trash cans.

Prohibiting drag out as litter will be discussed at the Town meeting.
