

EAST HAMPTON TOWN AIRPORT

Helicopter Voluntary Noise Abatement **Arrival and Departure Routes** **2022**

Overview

The East Hampton Town Airport Helicopter Arrival and Departure Routes are presented below. They are intended for use during VMC. The Echo Route is available for arrivals and departures connecting to the North Shore Helicopter Route. The Sierra Route is available for arrivals and departures connecting to the South Shore Helicopter Route.

Contact Tower approaching CEDAR for approval to continue via the Echo Arrival to the airport.

Contact Tower approaching MECOX eastbound for approval to continue via the Sierra Route to the airport

Contact Tower approaching BIRDY westbound for approval to continue via the Sierra Route to the airport.

Echo

Departures:

Depart heading northwest to E1 at BROCK. Turn right to E2. Cross E2 at 2500 feet or below. Proceed to E3. Join the North Shore Helicopter Route at E3 at 2500 feet or below. The Echo Route waypoints should be flown precisely for noise abatement. Watch for Inbound traffic.

Arrivals:

Proceed eastbound on the North Shore Helicopter Route to E3. Contact Tower approaching E3. Cross E3 and E2 at 3500 feet or above. Proceed as depicted. Contact Tower approaching CEDAR for approval to continue via the Echo Arrival to the airport. The Echo Route waypoints should be flown precisely for noise abatement. Watch for outbound traffic.

Sierra

Departures:

When traffic permits, perform a climbing turn north of the airport to gain altitude before proceeding south to S1. Proceed over Georgica Pond to S2 and S1. Cross S1 at 2500 feet or above. Proceed on course. Watch for inbound traffic.

Arrivals:

Proceed along the South Shore Route. Contact Tower approaching MECOX eastbound or BIRDY westbound for approval to continue via the Sierra Route to the airport. If Tower approves the Sierra Arrival, cross S1 at 2000 feet. Proceed to landing per ATC instructions.

WAYPOINTS

E1	[40°58'26" N / 072°16'06" W]	S1	[40°54'54"N / 72°13'25" W]
E2	[41°02'32" N / 072°15'28" W]	S2	[40°56'30"N / 72°13'25"W]
E3	[41°09'42" N / 072°12'03" W]	MECOX	[40°53'39"N / 72°16'53"W]
CEDAR	[41°01'46"N / 072°15'40"W]	BIRDY	[40°56'10"N / 72°09'51"W]

PLEASE NOTE:

Echo Arrivals contact ATCT approaching E3 and approaching CEDAR.

Sierra Arrivals contact ATCT approaching MECOX eastbound and BIRDY westbound.

Pathways depicted on the map are for illustration only and may not conform precisely to coordinates. Published coordinates are controlling. If weather conditions prevent published altitudes from being flown, remain in VMC and adjust as necessary.

ATCT will advise pilots of traffic conflicts on each of the helicopter routes and will retain the option of issuing arrival and departure instructions as traffic permits.

These procedures are not intended to preempt the responsibilities of the pilot-in-command from safe aircraft operations. Recommended procedures are not intended to conflict with instructions from ATC or any applicable Federal Aviation Regulations.

East Hampton Town Airport Curfew: 10:00pm Local – 07:00am Local No ramp services available during those hours.

Airport Operating Instructions can be found on the East Hampton Town/Airport website:
