Town of East Hampton, New York

The Community Preservation Fund Law was enacted to help protect and preserve open and undeveloped lands in the Town of East Hampton and the incorporated Villages, including wetlands, woodlands, agricultural lands, shorelands and the other natural resources of the town; for the purposes of protecting historic places and properties within the town; and for the purpose of providing the town's visitors and residents with outdoor recreational opportunities.

The East Hampton Town Code categorizes a Nature Preserve as any area of land or water owned by the Town which is formally dedicated to being maintained as nearly as possible in its natural condition. These lands are chosen for preservation based on the unique and valuable ecological assets situated within their boundaries. They are protected not only as a means to preserve the land in its natural state, but to create a multi-use recreational resource to be enjoyed by all.

A Local Law providing for the amendment of Chapter 182 ("East Hampton Town Nature Preserve") of the East Hampton Town Code in order to add seven (7) additional properties to the register of lands dedicated to the Town Nature Preserve, as more fully set forth in the text of the Local Law, said Local Law to read as follows:

BE IT ENACTED by the Town Board of the Town of East Hampton as follows:

SECTION I. - FINDINGS AND OBJECTIVES:

This local law amends Chapter 182 of the Town Code to add seven (7) additional properties to the Town Nature Preserve. The seven (7) parcels proposed for dedication to the Nature Preserve consist of a diverse group of ecologically significant parcels acquired by the Town for the purpose of open space preservation. The properties proposed to be added to the Nature Preserve are as follows:

| SCTM | Location | Acreage | Characteristics |
|-----------------------------------|----------------------------------|-----------------------|----------------------------------------------------------|
| • 156-1-2 | 546 Route 114 | 17.92 | Adjacent to existing Nature Preserve of similar habitat. |
| • 193-3-26 | 70 Daniels Hole Road | 3.2 | Pitch pine oak, part of Pine Barrens. |
| • 73-3-11.22, 11.23 & 11.25 | Ely Brook to Hands Creek Road | 1.2, 2.1 & 0.96 | Contiguous to Grace Estate preserve. |
| • 90-4-1.3 | 221 Swamp Road | 7.2 | Part of Northwest Creek watershed. |
| • 39-8-46 | 207 Norfolk Drive | 0.48 | Forest coastal zone of Accabonac Harbor. |

| • 126-1-14.4 | 16 South Woods Court | 2.11 | Woodland, adjacent to conservation easement. |

Based upon the public comment received at the public hearing held on January 19, 2007, the Board has determined that 70 Daniels Hole Road (SCTM# 193-3-26) is not appropriate for inclusion in to the Town Nature Preserve at this time, but may again be considered for Nature Preserve status at some point in the future.
