Roadwork Construction schedule for the next week

Roadwork Construction will be working on the following roads for the time period between 10/29/2018 to 11/02/18 in the order as shown: Montauk Hwy. (various locations), Town Line Rd. (tentative)

This is subject to change due to weather, utility mark-out completion, water main availability and circumstances beyond our control.

Because of this, the order of these roads may change and other roads not on this list may have main installed in this timeframe.

Wainscott Water District Customers:

520 Potentials

311 (60%) App Card Received

Of those, 34 Are "In Service" plus

51 have had the private service line installed either by plumber or Asplundh awaiting connection (some need water main still)
